RULES AND REGULATIONS.

PREMIUMS ON FARMS, GARDENS AND GROWING CROPS will be awarded in each Township in which the sum of \$40 00 shall have been subscribed and paid according to the Rules of the Society, and not less than ten competitors.

1—No person shall be allowed to compete unless he has paid his annual subscription to the Secretary or one of the Directors, on or before the 15th day of July next, and not later.

2—Competitors must reside within the limits of the County; competitors on male brood animals excepted who will be allowed to compete accordingly to Article 5.

3—Competitors who at Exhibition, etc., shall have obtained a prize by fraud or misrepresentation, shall be deprived by the Directors of the prize they shall have obtained, and also of the right of entry in one or all of the subsequent Exhibitions.

4—No competitor shall be entitled to more than one prize in the same class, and no animal or article can compete in more than one class except Boar and Sow Pigs exhibited with their dam which may compete in their own class.

5—Animals entered for competition must be bona-fide the property of the competitors for at least thirty days previous, except Male Brood Animals, which must have been kept in the County on reasonable terms the season preceding the awarding the prize.

6—Brood mares must be accompanied by their foals, so as to allow the Judges to ascertain their merits as such.

7—Cows must have calved within a year before they are exhibited.

8—Ewes two years old and upwards must have raised a lamb the preceeding summer and have been closely shorn, as also all other sheep, on or after 1st of May.

9—The Judges shall not award a prize on animals or articles not worthy of a prize, the decision of the Judges shall be final. This rule to be strictly complied with.

10—Animals entered for competition must be secured in a way as to allow the Judges to examine them with facility. Vicious Bulls Stallions etc., shall be secured with the greatest care and attention, and be held by the owner or some other person. Every animal left loose or placed anywhere but the place indicated by the Directors, shall forfeit his right of competing.

11—Dairy Produce, Sugar, Domestic and all manufactured articles must have been manufactured in the County during the year either by the competitor or some one under his or her direction, who shall make oath to that effect, if required.

12—Competitors must not place their names or initials on animals or articles exhibited, under penalty of being excluded from the competition.

13—A competitor or his representative who shall interfere in any way by trying to influence the Judges in the execution of their duties, or refusing to withdraw from animals or articles on exhibition at request of Committee, shall forfeit right of competition.

14—Competitors must submit to the regulations of the Society. Cases of doubt shall be decided by the Committee of the Exhibition. All animals and articles for exhibition must be entered four days previous to the show, and must be in their places on the show grounds before 10 o'clock a. m. on the days of the exhibition, and shall not be removed from their places before 4 o'clock p. m. unless by the permission of members of Committee of Management. All animals and articles removed from the grounds on the first day must be returned on the second day, under penalty of losing all prizes awarded the owner this year.

15—A ticket of admission for every animal or article exhibited will be given to the exhibitor at the show yard gate.

16—Farms having taken first premium within two last years will not be allowed to compete this season.

17—A Mare and Gelding will be allowed to compete as a pair of Working or Driving Horses.

18—All protests must be written and given to the Secretary within 30 days from date of Exhibition and accompanied with a fee of \$10.

19—Young animals may be exhibited in an older class, provided there is full competition in said class.

20—Farms having taken the first prize will be excluded from further competition, unless the owners thereof have been members of the Society at least three years next preceeding the time of again offering the same for premiums, except where farms have changed owners.

21—No two competitors allowed to compete on Farms and Crops or Gardens on same farm and no two competitors will be allowed to compete on domestic or manufactured articles from same house or establishment, and no two or more persons belonging to an establishment will be allowed to compete in any class.

22—No prize to be awarded on ground tilled more than three years in succession; gardens excepted.

23—Entries for competition on Farms and Crops to be made on or before the 15th June.

24—The Judges shall be sworn before acting.

25—In awarding premiums to Bulls and Cows, reference shall be had to improvement both as to stock and dairy; on Oxen and Steers to training and close matching, as well as strength.

26—Every successful competitor shall pay his subscription for the following year, which subscription shall be deducted from the amount he may receive at any of the Exhibitions or Matches.

27—Oxen or Steers in yoke, and horses to be exhibited in the ring—fat Oxen and Steers excepted.

28—The age of all animals exhibited shall date from January 1st.

29—All exhibitors of Factory Cheese or Factory Butter not members, shall pay a special entrance fee of one dollar.

30—When prizes are offered for registered thoroughbred animals, no entry will be accepted by the Secretary until he has received the regular certificate proving the registration of the animal sought to be entered for exhibition.

31—No Stallion can be awarded a prize unless he has previously obtained a certificate from a Veterinary Surgeon approved by the Council, that such Stallion is sound and in every way suitable for breeding.

32—Such certificate shall be renewed every year.

ROTATION.

- 1—The system of rotation to be from 6 to 10 years on land fit for ploughing.
- 2—The different divisions of the farm shall be fenced, and shall communicate to the stables by means of an alley or otherwise, to allow the passing of cattle. Parts of the farm covered with wood shall not enter into the system of rotation.
- 3—The fences shall be kept in good order.
- 4—Ditches and trenches in good order.
- 5—No stones in field. Weeds along fence to be mowed.
